The opening exhibition of original documents about vexillological and heraldic activities of Jiří Louda was conducted by director of the Land Archives of Silesia at Opava Dr. Karel Müller. The event was prepared on the occasion of the Louda's 100 jubilee. Dr. Antonín Barcuch, an archivist from Ostrava, led an expert excursion about origins and history of municipal units' flags that were presented in front of the Ostrava Town Hall.

The proceedings of the 7th Czech National Congress of Vexillology (124 pages illustrated in colour) have been published in Czech with English summaries and foreword by the Flag Data Center.
